

Business Integrity Policy

Objective

Aker Solutions shall conduct our business with integrity wherever we operate

Commitment

- We shall exercise zero tolerance for corruption and maintain an effective and risk-based anti-corruption compliance program
- We shall respect and comply with international proclaimed human and labor rights, and avoid becoming complicit in human rights infringements
- We, and all those conducting business on behalf of Aker Solutions, shall operate in accordance with the principles set out in our Code of Conduct
- We shall actively work to identify and understand business integrity risks in all company activities and ensure that these are adequately mitigated
- We shall maintain effective and risk-based business integrity procedures which sets out clear and concise expectations and responsibilities for all employees and those conducting business on behalf of Aker Solutions
- We shall provide business integrity training to our employees to enable them to act in accordance with the Code of Conduct in their daily work
- We shall regularly evaluate the effectiveness of our business integrity program to ensure adequacy and continuous improvement

Behavior

- We act in accordance with our Code of Conduct
- We take personal responsibility for business integrity and participate in all mandatory business integrity training
- We apply our high business integrity standards wherever we operate
- We integrate business integrity in all business processes
- We learn from incidents to continuously improve our processes and performance.
- We are prepared to say no to business opportunities and to stop ongoing business rather than to compromise our integrity
