CSR Projects for Financial Year 2022-2023

A. Sustainable solid waste management initiative

Support for a zero-waste area initiative through implementation of a solid waste management program in Dapodi, Pune, Maharashtra. The Centre for Youth Development and Activities (CYDA) is acting as the implementing agency for the initiative.

B. Empowering transgender people through industry-ready skills training

Support for employability skills training in social media marketing for transgender people in various areas of Mumbai, Maharashtra. United Way of India is acting as the implementing agency for the initiative.

C. Livelihood training program for underprivileged youth

Support for livelihood training for underprivileged youth in the Bandra area of Mumbai, Maharashtra. New Resolution India (Bright Future) is acting as the implementing agency for the initiative.

Note: The Indian financial year runs from April 1 to March 31.
