To Our Business Partners

Aker Solutions strongly values the importance of business integrity. Our business relationships are based upon good cooperation and shared values. It is for this reason we would like to remind you about Aker Solutions Gifts & Hospitality Policy.

Aker Solutions does not allow gifts or hospitality where giving or accepting them could influence business decisions, violate any local laws or the policies of the recipient company, or cause others to perceive such influence or violation.

- In case of a business meeting, Aker Solutions appreciates that a reasonable meal included in the agenda (or which immediately precede or follow) may be acceptable.

We respectfully request your understanding and continued cooperation regarding our Gifts & Hospitality Policy when in contact with any representative of Aker Solutions.
